

Most roads on the Lochsa Ranger District are open or partially open. Many side roads may be littered with downed trees and debris, making travel difficult. Motorists should be sure to pack chains for the front and back of vehicles, as well as a chainsaw. Contact the Lochsa Ranger Station at (208) 926-4274 for more information about your favorite summer recreation opportunities.

LOLO MOTORWAY: Forest Service Road 500

Road #	Road Description	Status	Date Posted	Condition
500	Lolo Motorway	OPEN	08/02/16	<p>The Lolo Motorway is open. High-clearance, four-wheel-drive vehicles are <u>required</u>. Travelers can expect narrow roadways in places and large rocks embedded in the road surface.</p> <p>Summertime motorists and ATV riders traveling on Road 500 should bring chain saws and be prepared to remove fallen trees from the roadway.</p> <p>Call the Lochsa Ranger Station, (208) 926-4274 for updates.</p>
560	Liz Butte	NO REPORT	08/02/16	Contact the Lochsa Ranger Station, (208) 926-4274 for updates.
569	Parachute Hill	PARTIALLY OPEN	08/02/16	<p>Road 569 is open for a few miles from its junction with US Highway 12.</p> <p>Be sure to contact the Powell Ranger Station, (208) 942-3113 for updates.</p>
107	Saddle Camp	OPEN	08/02/16	<p>Saddle Camp Road 107 is open, but sloughs have narrowed the road to a single lane in a few places.</p> <p>Be sure to contact the Powell Ranger Station, (208) 942-3113 for updates.</p>
101	Smith Creek	PARTIALLY OPEN	08/02/16	<p>Part of Smith Creek Road 101 has been plowed; motorists can make it to Milepost 12.7, a few miles shy of Fan Saddle. The road is snow-covered in places, and the route is littered with downed trees. The road has been cutout to accommodate smaller vehicles. The remainder of Road 101 is still inaccessible.</p> <p>Contact the Lochsa Ranger Station, (208) 926-4274 for updates.</p>
100	Lolo Breaks (Kamiah to Musselshell)	OPEN	08/02/16	<p>Road 100 is open from Kamiah to the Musselshell Work Center.</p> <p>Road 100 was closed partially in 2014 due to a severe slump near Lolo Creek Campground. A temporary, single lane bypass has been constructed to allow vehicle passage. Forest Service engineers are working on a more permanent solution prevent future slumps and landslides in this area. <i>Please use caution and slowdown while driving in this area.</i></p>
